

CÉTOINE

Alejandra Perini & Studio Kiwibravo

Stool

Folded iron and chameleonic effect acrylic painting.

H 45 x 35 x 42 cm W 15kg

Cétoine takes its cues from its French namesake, a specific breed of iridescent beetle. Considered to be sacred in ancient cultures, the beetle's exoskeleton changes color and form depending on a viewer's perspective.

Inspired by this appealing camouflage, Perini and Kiwibravo took up the challenge of translating it into a design for daily life. Amazingly, they captured the magic of nature in their Cétoine stool.

Alejandra Perini (1992)

She is a product designer with a strong focus on materiality and craftsmanship, combining personal projects with her work at studios and brands as BOLIA, Warm Nordic, Sebastian Alberdi Studio, Ox Gallery and currently Octaevo.
